Dear [Redacted]

Attached are two copies of Volumes I and II of the Academy's report, The Intelligence Workforce for the 1990s: A Review of Personnel and Compensation Systems to Meet Current and Future Missions.

As we discussed, Volume I is now being run on a laser printer, and will be forwarded to the ICS later this week, for bulk production. Early next week you will receive the formal transmittal letter from Panel Chair Philip Odeen to Director Webster.

As always, we appreciate the support of you and your staff.

Sincerely,

Don I. Wortman
Project Director
